WILSON TAKES CHEERFUL VIEW OF MEDIATIONS

Hopeful That With More Time
a Solution Will Be
Found

WASHINGTON, June 21.—(Associated Press by Federal Wireless)—Although the despatches from both Niagara Falls and Mexico are most pessimistic in tone as regards any immediate prospect of a breaking of the deadlock between President Huerta, Provisional President Carranza, General Villa and President Wilson, the White House continues to radiate cheerful messages and optimistic views.

Just as the wires brought to the Washington papers announcement from Carranza that he was preparing a statement declaring that there would be no cessation of hostilities between the Constitutionalists and the Federalists until the City of Mexico had fallen, President Wilson authorized a statement for publication in which he declares that the outlook for the success of the work of the mediators at Niagara Falls was never brighter than now and that the developments of the past few days had improved the situation wonderfully.

He made known these views, he said, because at Friday's conference between Sen. Dr. Romulo Naon, the Chilean mediator, and Secretary of State Bryan, the facts of the situation were thoroughly discussed and at the conclusion of the conference Sen. Naon reflected the same sentiments.

The exact facts upon which this official optimism is based were not given out.

Members of congress yesterday discussed the apparent approaching failure of the mediation in Mexico and the view was expressed by many that the time was practically at hand when the policy of watchful waiting would have to be replaced with one of active intervention.

MEXICAN LEGISLATORS ELECT GAVEL-WIELDERS

CITY OF MEXICO, June 21.—(Associated Press by Federal Wireless)—General Zozaya, a Federal leader, is reported to have been badly wounded at Guadalajara, during the recent fighting.

In the lower house of the Mexican congress yesterday, Manuel Mercado was chosen as speaker. For the chairmanship of the senate, the choice has fallen upon Enrique Rodriguez.

FIRE IN MINE REndERS RESCUE WORK HOPELESS

LETHBRIDGE, Alberta, June 21.—(Associated Press by Federal Wireless)—Ninety-four of the bodies of the victims of the explosion on Friday night in the Galt mine have been recovered, leaving 103 miners unaccounted for. All hope of finding any of these entombed men alive has been abandoned. The mine is now on fire and the rescuers cannot enter the lower levels where the majority of the miners were at work.

Pat—Yis, sorr, wur-ek is scarce, but O! got a job last Sunday that brought me folve dollars. Mr. Goodman—What! You broke the Sabbath? Pat (apologetically)—Well, sorr, 'twas one av us had 't be broke.

NO PEACE TILL MEXICO CITY IS IN REBEL HANDS

SALTILLO, June 21.—(Associated Press by Federal Wireless)—President Carranza has prepared a note for submission to the mediators at Niagara Falls in which he says that it is useless to request the Constitutionalists to suspend hostilities at this time. His armies, the leader of the Constitutionalists points out, are now converging upon Mexico City and have all but achieved the downfall of Huerta. To ask these armies now to cease fighting would be unjust to the soldiers and their leaders who have their prize almost within their grasp.

Carranza announces that he will be willing to talk terms to the United States, through the mediators, as soon as he has entered the Mexican capital and his provisional government becomes the government in fact.

Until that time, said Carranza, the Constitutionalists will not enter into any truce with Huerta.

ASQUITH HEARS WOMEN IN CAUSE OF SUFFRAGE

LONDON, June 21.—(Associated Press by Federal Wireless)—Premier Asquith yesterday received in conference a delegation of six working women, representing Mrs. Pankhurst. He promised that the representations made on behalf of the suffragette leader would be given full consideration. The conference was not marked by any display of militancy.

MOTHER! IF CHILD'S TONGUE IS COATED

If cross, feverish, constipated, bilious, stomach sour, give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.

Dauber (standing before his picture)—What do you think I'd better exhibit first? Candid Friend—A little talent, my boy.

"Be warned in time. Don't you know that girl drinks, smokes and gambles at bridge?" "I know; I am going to marry her to reform her."—Louisville Courier-Journal.

SENATOR OWEN WOULD COMPEL CLEAN POLITICS

WASHINGTON, June 22.—(Associated Press by Federal Wireless)—If the four bills introduced into the Senate yesterday by Senator Owen of Oklahoma become law, the taking of a drink at the expense of a congressional candidate or the smoking of a campaign cigar will be a misdemeanor, punishable by law, while the vote of such a person will not be counted in any congressional election.

Senator Owen's bills are to prevent unlimited contribution by individuals towards a campaign fund, to provide for the circulation at government expense of pamphlets setting forth the political views of the candidates for federal elections, to legalize the use of the preferential ballot in primary nominations for either house, and to define what are corrupt practices in federal elections.

The last bill would abolish all election cigars and the custom of treating voters to election drinks. It would make the voter accepting free smokes and drinks guilty of a corrupt act, as well as the one who bought or supplied the refreshments, and would make the ballot of such a voter subject to rejection by the election judge.

BUTTE MINERS TO FORM INDEPENDENT UNION

BUTTE, Mont., June 22.—(Associated Press by Federal Wireless)—Rejecting the overtures for a settlement of the differences between the labor organizations of Butte and the second, which were submitted last week by William Moyer, the leaders yesterday launched an independent miners' union.

RUMORS LIE, SAYS VILLA

TORREON, Mexico, June 22.—(Associated Press by Federal Wireless)—General Villa today denied that he has proclaimed Senor Angeles as Provisional President of Mexico or that he had executed General Chao. He had reported that he had branded both stories as absolute lies and also denied knowledge of the removal of Angeles as secretary of war from Carranza's cabinet.

VILLA TURNS FEDERAL VICTORY INTO DEFEAT

TORREON, June 22.—(Associated Press by Federal Wireless)—Official advices were received yesterday by the Constitutionalists that the Federalists have received another crushing defeat at the hands of General Villa's troops near Calera. The Federal army of 5000 men was advancing north in pursuit of the defeated troops of General Nateras, when they came into touch with the vanguard of Villa's army, proceeding south. The pursuit turned into a pitched battle, in which the veterans of the north drove the Federalists back and completely routed them, capturing the equipment of the Federalists and their provision trains and ammunition. Many prisoners were taken by the Villistas.

FEAR RUPTURE MAY HURRY U. S. INTERVENTION

EL PASO, June 21.—(Associated Press by Federal Wireless)—Luis Cabrera, a prominent Constitutionalist, has issued an appeal to General Villa and other chiefs in the revolutionary ranks to reiterate their loyalty to President Carranza, declaring that the practical revolt against the provisional president is prejudicial to the Constitutional cause in the eyes of the Powers and making the forcible intervention of the United States a nearer probability.

The rumor sent out from Saltillo yesterday that Villa has declared for General Felipe Angeles for the presidency, in place of Carranza, is not believed here. The rumor was to the effect that Angeles had been deposed as acting secretary of war in the provisional government, and had thereupon allied himself with Villa in opposition to Carranza, in return for which Villa had announced Angeles to his army as the future president of Mexico.

PLAN FORMULATED EARLDOM TO BE WHEREBY PEACE MAY BE MADE

NIAGARA FALLS, June 22.—(Associated Press by Federal Wireless)—The mediators have presented a plan, the nature of which is closely guarded, by which it is expected to prolong the peace proceedings and possibly solve the Mexican problem.

It is known, however, that efforts are being directed toward bringing the Constitutionalists in touch with the negotiations, and that the delegates have eliminated the question of an armistice agreed to the establishment of separate conferences, one between the Americans and the Constitutionalists, the Americans dealing with Huerta through the mediation conference.

CARRANZA WON'T DISCUSS INTERNAL QUESTIONS

TORREON, June 22.—(Associated Press by Federal Wireless)—General Carranza has forwarded a reply to the notes from the mediators. It is understood that he reiterates his willingness to participate in the conference now on in Niagara Falls, the conference to have for its sole purpose the pacification of Mexico, but in his reply he is said to have expressed his conviction of the futility of discussion of the internal affairs of the country, including the declaring of an armistice in relation to the military movements of the Constitutionalists, the agrarian question or the agreement on a provisional president.

REBELS CAPTURE TOWNS

SALTILLO, Mex., June 22.—(Associated Press by Federal Wireless)—General Villa's troops have captured several towns in the north. The municipal offices of that place, he says, are to be filled at once by the people at a popular election.

ANTI-ALIEN LAND LAW IS AGAIN IN LIMELIGHT

Correspondence on Famous
California Legislation to Be
Made Public

TOKIO, Japan, June 22.—(Associated Press by Federal Wireless)—Japan and America have agreed to publish simultaneously this week the text of the correspondence, which has taken place between the two countries on the question of the California anti-alien land act.

Foreign Minister Kato will probably speak on this subject at the opening of the special session of the Diet today. The Diet also will consider the special naval construction credits for 1915-1916, over which there has been much discussion.

According to Mr. Hamaguchi, vice minister of finance, the finance department has spent much time in considering the figures submitted by the navy department. It is understood the sum to be demanded to carry out the naval program will be somewhere between six million yen and seven million yen.
